Oscar Classic Bronze Plan

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call **1-855-OSCAR-55** or visit **https://www.hioscar.com/forms/2019/ny**. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other **underlined** terms see the Glossary. You can view the Glossary at **www.dol.gov/ebsa/healthreform** or call **1-855-OSCAR-55** to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	$4,000 individual / $8,000 family	Generally, you must pay all the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. **Preventive care**, pre- and post-natal care, and telemedicine.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	$7,600 individual / $15,200 family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	Premiums, **balance billing** charges, and healthcare this **plan** does not cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See **www.hioscar.com** or call **1-855-OSCAR-55** for a list of **network providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan**'s **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider**'s charge and what your **plan** pays (**balance billing**). Be aware your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a **referral**.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
